Trail Riders of the Canadian Rockies

BULLETIN No. 13

Now that winter is slipping away our thoughts revert to plans for the coming summer, and the Secretary's Mail-Bag indicates that members wish to know about the official Trail Rides. While all arrangements have not yet been completed, these are well under way, and the general plans are as follows:

1. Main Trail Ride will leave Banff on August 4th for Mount Assiniboine on a six-day trip. Route taken will be up the wild canyon of Brewster Creek along an old trail which the Commissioner of Parks hopes to have cleared in good time. First night's camp will be near the head of this creek. The second day's ride will be by way of Allenby Creek over Assiniboine Pass to Assiniboine Camp beautifully situated beside Lake Magog, in which the white pyramid of Mount Assiniboine reflected in the turquoise waters of the lake makes one of the most thrilling pictures in the world. The third day will be spent with this camp as base, allowing Trail Riders to explore the surrounding lakes and foothills or to do some climbing. The fourth day will be a sixteen-mile ride by way of Lake Og, the Valley of the Rocks, Golden Valley, Citadel Pass,

Alpine Lakes and Meadows on the Great Divide to Sunshine Camp. On the fifth day there will be a short ride to Simpson Pass, where the Grand Pow-Wow will be held. The sixth and last day will be the home ride into Banff by way of Healy Creek. The rate for this six-day ride will be \$70.00. The ride will be under the general command of Colonel Phil. A. Moore.

2. The Jasper Squadron Trail Ride will start from Jasper on Tuesday, July 19th, and last till Saturday, July 23rd, thus leaving ample interval of time for those who wish to make both rides. Major Fred Brewster writes as follows:—

"We will form up on Tuesday morning and ride up the Portal Creek valley to our first camp on the easterly slope of the Maccarib Pass. This is a very pretty spot, camp being at timber line, the Portal Valley and Portal Peak below, the

open summit country extending up and beyond the camp site, an attractive group of peaks with some snow and ice across the creek from the camp, while on the slopes near to and immediately behind the camp are well-populated goat pastures on which the goat are easily visible.

"Wednesday we will cross the Maccarib Summit (7,000 ft. approx.) and go down the Maccarib Creek into the Tonquin Valley and the Amethyst Lakes, making camp at the foot of Surprise Point between the Amethyst Lakes and Chrome Lake.

"The Surprise Point camp ground is particularly beautiful, park like, with great profusion of mountain flowers. The Rampart Range, Mount Fraser, Erebus, Erimite, Clitheroe, Old Horn and a dozen other mountains as well as the Fraser and Erimite Glaciers surround the camp and are in full view.

"Thursday will be spent about camp, climbing, riding, or resting; and in the evening the election of officers and Pow-Wow will be held, with what entertainment the Committee are able to provide.

"Friday morning we will ride down the Meadow Creek Valley to camp in the Tonquin Pass district. Saturday the Squadron will continue its ride down the Meadow Creek to the Miette Valley, arriving in Jasper Saturday afternoon.

"The cost of the trip to each Trail Rider will be sixty-five dollars."

In addition to these two Annual Official Rides, arrangements are being made for weekly circle Trail Rides under the auspices of the Trail Riders of the Canadian Rockies and under the direction of Col. Phil. A. Moore from Banff and Lake Louise, commencing July 7th and continuing during July and August. The Banff ride will last four days and take in Camps at Stoney Creek, Sawback Lakes and Mystic Lake, at each of which points there is good trout fishing. Trail Riders must bring their own sleeping bags and blankets. Rates will probably be \$10.00 a day. The Lake Louise ride will be round the Bungalow Camps and Rest Houses, including Wapta, Lake O'Hara, a new camp on the McArthur Creek, Natural

Bridge, Yoho Bungalow Camp and Twin Falls Rest House, motoring from Field back to Lake Louise. This circle Trail Ride will last six days, the nights being spent at the Bungalow Camps where available. Rates are not yet fixed, but will probably be \$10.00 a day.

THE FIRST TRIP TO MOUNT ASSINIBOINE

By Tom Wilson

In the latter part of August, 1893, having just completed a three weeks' trip through the mountains with Mr. L. A. Hamilton, C.P.R. Land Commissioner, I received a wire from Mr. W. L. Mathews, Manager of Banff Springs Hotel, asking me to report there. Arriving there, I

found Mr. R. L. Barrett, from Chicago. Mr. Mathews wanted me to take him on a prospecting trip in search of a difficult mountain to climb. I at once thought of Mount Assiniboine, having been told about it by Dr. G. M. Dawson, who had seen it and named it from the summit of the White Man's Pass, and I had had a glimpse of it in 1889, from near the summit of Simpson Pass, while packing for Mr. W. S. Dreury's Topographical Survey party.

We left Banff about the first of September, the party consisting of Mr. Barrett, George Fear (still living in Banff) and myself; we travelled by way of Healy Creek

and over the Simpson Pass to the Simpson Valley and then up the Valley to the south branch, finding a good camp with fine feed for the horses. Next day Mr. Barrett and self climbed the ridge, getting a fine view of the lakes and of the mountain itself; Barrett agreeing with me that it was uphill all the way to the top and was not a one boy job. The next day Mr. Barrett climbed the ridge and traversed the Valley from the lake west, and found a good pass over to the Simpson River, about five miles from the foot of the Simpson Pass. Two years later Mr. Barrett, Mr. Wilcox and Mr. Bryant, all of whom I outfitted at Banff, made the trip by Barrett's Pass, all of which is

told so well in Mr. Wilcox' beautiful book "Camping in the Canadian Rockies." We returned to Banff by way of Simpson River and Vermilion Pass, stopping at any points of interest—Paint Pots, Marble Canyon, etc. The horses never strayed; good weather all the trip, no flies, nothing happened, so it wasn't much of a trip.

(Signed) TOM.

The Late Dr. Charles D. Walcott

THE LATE DR. CHARLES D. WALCOTT

With genuine sorrow and with heartfelt sympathy for Mary Vaux Walcott we have to chronicle the death of that great-hearted Trail

Rider, our Honorary President, Dr. Charles D. Walcott, who passed away at his home in Washington on February 9th. At the time when the Trail Riders of the Canadian Rockies was being organized, Dr. Walcott was already withdrawing from many of the offices in various societies which he held, as he desired more leisure for his scientific work, but so attached was he to the scenes of his many camping trips in the Canadian Rockies that he made an exception in our case and accepted the position of Honorary President, a position which was honorary only in name as he devoted no little time and energy in helping us to get established. His presence at the first Pow-Wow in the Yoho Valley contributed in no small measure to the success of that initial celebration, and although ill-health prevented him from joining us again, he was with us in spirit and never failed to send us messages of inspiration and encouragement.

President Coolidge headed a list of officials and scientists who sent condolences to the family. It was said that in the passing of Dr. Walcott the best authority on fossil invertebrate animals had gone. But that was simply an incident in his long and busy life, because he had been deeply interested in all forms of science ranging from zoology to aviation.

The President in his letter to Mrs. Walcott said: "Dear Mrs. Walcott: It was a shock to learn of the death of your distinguished husband. His passing will be a great loss to the scientific world, where he had held such an eminent place for so long. His researches in the field of geology and paleontology have been notable and invaluable.

"As secretary and executive head of the Smithsonian Institution since 1907 he has added to its fame both in the field of exploration and of acquisition. His work will not be forgotten.

"Please accept for yourself and the members of your family my sincere sympathy in your sorrow. "Sincerely yours,

"CALVIN COOLIDGE."

Dr. Walcott had been president of the Washington Academy of Sciences and of the National Academy of Sciences, vice-chairman of the National Research Council, fellow and vice-president of the American Association for the Advancement of Science and a member of the American Academy of Arts and Sciences, the Christiania Scientific Society, the Geological Society of America, the Geological Society of London, the Imperial Society of Naturalists of Moscow, the Royal Geographical Society of London, the Academy of Science of Bologna, the Geological Society of France, the French Academy of Sciences, the Academy of Natural Sciences

of Philadelphia, the National Academy of Sciences, the Washington Society of the Archaeological Institute of America and the Royal Swedish Academy of Sciences.

Dr. Walcott received gold medals from learned societies in England, France and America, and the honorary degrees of LL.D. from Hamilton,

Chicago, Johns Hopkins, Pennsylvania, Yale, St. Andrews and Pittsburgh, Sc.D. from Cambridge and Harvard and Ph.D. from the Royal Fredericks University of Christiania. He was the author of more than a dozen volumes on geological, palaeontological and allied topics, in addition to innumerable official reports and pamphlets

OFF THE BEATEN TRACK

One of the most persistent trail-riders known to the Canadian Rockies is Miss Caroline Hinman, of Summit, New Jersey, who each summer brings out parties of ladies for cross country rides on what she calls "Off the Beaten Track" expeditions. On checking over our bulletin of December, 1926, Miss Hinman found that twenty-one members had qualified for brooches through her trips—six for 1,000 miles, twelve for 500 and three for 100 miles. The photographs on the centre pages of this bulletin and on this page are evidence that she has "been there." For the coming summer she is planning a trip leaving Lake Louise on July 1st and travelling north past the scene of our last year's Pow-Wow through Ptarmigan Valley, Baker Pass,
